PRESIDENTS MESSAGE

The last meeting the WGCSA was held with a lot of interest. With the support of R & S Parts and setting up the program, it definitely showed the people that the interest was there. The Superintendents that participated in the program, my hat is off to you. I believe with participation by the association members in a program such as this is real involvement.

The survey that was taken with the last newsletter gave the board members somewhat of an idea of the feelings of its members. However, the board has the final decision on this. There are many pros and cons on which way to go with the meetings and speakers. All members will not be satisfied no matter what decision the board has made. You the members of the WGCSA have voted these people to the board of directors. What ever decision is made that pertains to the association should be backed up. When election time comes, the members have the opportunity to vote whomever they like providing he qualifies for that particular position. That is where the participation should take place. It's a blessing to have a democratic way of life. To speak your piece of mind on any decision is a real democracy. This is the intention of all Americans and especially the policy of this association.

I realize the new postal service that we have now has

not done us justice. There have been to many members without the mailing or the mailings have come too late. We will try to rectify this situation in the very near future.

I would like to give you a list of the committee Chairman who so graciously excepted an appointment and were not afraid to get involved in association activities.

Our second meeting at Oconomowoc C.C. featured a golf course conditioned for the professionals and a wind that was strong, to say the least. Our thanks to Harvey Miller and his staff for the fine day.

Event winners were Skip Willms, Charlie Shaw and Ron Schara. Low net for the day was Ed Devinger with an 83. Low gross was a monumental 54 by Walt Taylor.

Next month at Alpine Valley we will be having a Best
