

## Watertown Country Club to Host JULY MEETING

Golf Course Superintendent Joe Bahr and the staff of the Watertown Country Club will host WGCSA's July 24th meeting. Lunch will be available at the club at your preference. Dinner will be served at 6:30 p.m. and the \$10.00 price will include hors d'oeuvres and a T-bone steak. Our speaker for the evening will be Dr. Joe Vargas who will, undoubtedly, have some very pertinent remarks as we enter the disease season in Wisconsin.

Carts will be available on a first come-first served basis with golf beginning at 12:30 p.m. The event will be a Fort Lauderdale Shotgun limited to the first 72 players registered. Please include your handicap (no sandbagging, guys) for pairings. Due date for all reply slips is July 21. See you at Watertown on the 24th...

Return all reply slips to: Bill Douglas  
10757 North Range Line Road  
Mequon, Wisconsin  
53902
