#### TREASURERS' REPORT

To date I have received approximately 55% of our dues from two billings. For those who have overlooked the statements, they are due and payable now. For those members I don't hear from prior to the meeting at Tuscumbia on April 21, their names will be read at that meeting. If I do not receive your check by May 1, 1980, your membership in The Wisconsin Golf Course Superintendents Association will be terminated.
