

# NORAM PRESENTS SCHOLARSHIP

John Turner (L) presents UW-Madison student Mike Lee (R) with a scholarship from NorAm.

John Turner, Sales Representative for the NorAm Chemical Company, used the 1987 Wisconsin Turfgrass Association Winter Conference to present a NorAm Scholarship to Mike Lee, a senior in the University of Wisconsin — Madison Turfgrass Management program. NorAm acquired the Tuco Division of the Upjohn Company a couple of years ago and decided to continue the scholarship awards that had been a significant contribution by Tuco for many years.

Mike has many years of golf course experience at Blackhawk Country Club and Cherokee Country Club. Last year he worked as a technical assistant to Dr. Gayle Worf and plans to do so again in 1987.

Thanks are due NorAm for their considerable contribution to the education of future golf turf managers. Congratulations to Michael Lee for the honor he has earned.

## An Open Letter To WGCSA Members:

On behalf of myself, Jim and Lois Latham, and the USGA committee members from the region, I would like to thank all of you who attended the USGA Regional Conference at Westmoor on April 9th. I know it was tempting to do something else on such a beautiful spring day - that made your presence even more meaningful. Hopefully you found the conference worthwhile.

The Wisconsin GCSA has a tradition of supporting USGA programs and we are grateful for that. Hopefully we will have an opportunity to see many of you as the 1987 golf season unfolds.

Best personal regards,

James A. Farrell
