

WTA Winter Turf Conference Moves to the Country Inn

The eighth annual Wisconsin Turfgrass Association Winter Turf Conference will be held on January 10th and January 11th at the Country Inn near Waukesha. The two-day format and the new site are significant changes from previous years.

A lot of planning and hard work by Wayne Otto, Gary Zwerlein, Bill Vogel

and Dave Payne have resulted in expanded educational opportunities for this year. The facilities of the Country Inn are excellent and reasonably priced for those who want to spend the night of the 10th right there on site. The committee has also scheduled former Milwaukee Brewer pitcher and Cy Young Award winner, Pete Vukovich, as

a guest speaker. As usual, the WTA's annual meeting and election will be held during the conference.

All of the necessary information about the 1989 conference is included below. Please set these two days aside to attend our very own Wisconsin conference.
