JOB OPENING

Greensmix is the industry leader in custom soil blending of rootzone mixtures for sports turf and golf course construction. Among the existing golf course clients that we serve are the Nicklaus, Palmer, and Trent Jones Jr. design firms and the Cleveland Browns and Florida Gators for sports fields.

Our rapid growth has resulted in the need for another uniquely qualified team member. This entry level marketing position involves presenting our products and services to golf course and sports field superintendents, contractors and architects.

An educational background in agronomy, soil science, horticulture, or a related field, is a definite plus. Excellent communication skills and effective one-on-one people skills are required. This position is highly visible and offers rapid advancement and career growth while associated with a highly respected company within the sports turf industry.

Interested individuals should submit their resumes to
