

# The 1994 Wisconsin Turfgrass Field Day: *The Tradition Continues*

The excitement is building for the 12th Annual Wisconsin Turfgrass Field Day scheduled for Tuesday August 16 from 8:00am to 3:30 pm at the O.J. Noer Turfgrass Research and Education Facility in Verona. This is our third year at the Noer Facility and we have an eventful day filled with research, equipment, and friendship. We have incorporated many of the suggestions from the 1993 evaluations and will open the 1994 Field Day with the trade show, product demonstration and auction followed by our traditional Wisconsin barbecue lunch. The afternoon will spotlight the research and demonstration areas with presentations by the UW-Turfgrass Group.

The Trade Show will display the finest and latest technologies in turf-

grass and landscape management. Equipment demonstrations of mowers, sprayers, cultivators and much more will be highlighted. Also, turfgrass supplies such as irrigation equipment, fertilizers, turf chemicals, and seed will be on display. The morning program will continue with the 2nd Annual Fund-Raising Equipment and Supplies Auction. New and used supplies and equipment such as seed, landscape rakes, golf flag sticks, etc. will be auctioned off to benefit the WTA in support of turfgrass research and education. **If you are interested in having some equipment, supplies, etc., that are in good condition, auctioned off, please contact the Noer Facility at (608)-845-6536.**

The 1994 research tour will be

highlighted by the WGCSA sponsored Putting Green Management System Study. Also, as with each Field Day this is your chance to "put pictures" to the data and recommendations we provide each winter at the EXPO. We will display many of the studies established last year and provide an opportunity for you to view the plots as they mature. The UW-Turfgrass Group is growing with new staff and students and there will be over a dozen presentations. It should be a fun time!!

Advanced registration is \$15 for WTA members; \$20 for non-members, and includes lunch and a field tour book. On-site registration for WTA members is \$20; \$25 for non-members. If you would like more information contact the Noer Facility. 🌿

## *Spending too much time in the rough?*

**Hanley's of Sun Prairie  
will get you back on  
the course fast with  
the Cushman 6150  
Wing Rotary Mower.**

The Cushman 6150 can mow at 7 m.p.h. with 1, 2, or 3 decks. It can cut up to 7 acres per hour with up to 10' 7" cutting width. Zero turning and fold up wings gives it maneuverability. It offers four wheel drive performance, and is easy to operate and service. The 14 m.p.h. transport speed will get you on and off the job fast.

***Get in and out of the rough fast - Call Hanley's.***
