

JANESVILLE C.C. HOSTS AUGUST MEETING

By Kris Pinkerton

The August meeting for the WGCSA was held at Janesville Country Club.

Golf course superintendent Brad Wagner and his staff did an outstanding job of preparing what is known as one of Wisconsin's oldest golf clubs.

Celebrating its 100th anniversary this year while hosting their fifth State Amateur, Janesville Country Club was certainly a treat for us to play. Good luck on the next 100 years!

Spring Valley SOLVES LOCALIZED DRY SPOTS

Dan Quast, CGCS
Medinah Country Club Medinah, Illinois

"I don't worry about localized dry spots because I use *Spring Valley's 5-1-10+ Hydro-Wet*."

Dr. Karl Danneberger, at Ohio State, proved what I already knew when in his review of the 1990 tests on wetting agents, he said, 'the *Spring Valley product (5-1-10+ Hydro-Wet)* performed exceptionally well compared to the other products.'

Please call and we'll send you a copy of the Ohio State study.
