## About the Cover:

"I had a dream..." that O.J. NOER stopped at his namesake for a tour of the building and research plots before teeing it up at his alma mater's golf course, University Ridge. He was granted special permission to use his own West Point golf cart!

Cover design and artwork by designer and marketing specialist Jennifer Eberhardt.

"Everybody needs beauty as well as bread; places to play and places to pray in, where nature may heal and cheer, and give strength to body and soul alike."
