

# R&R With Our Loved Ones

By Bruce Worzella

Now that snow has blanketed our golf courses, it seemed only fitting to share with you a little bit about the great time we had at the WGCSA dinner dance and golf outing.

Twenty-two couples embarked on a mission last October to try to wrestle the Mr. & Mrs. Mow title from Mike and Mary Drugan. The title includes a trophy that some choose to display and that some don't! No surprise—the trophy was designed by Rod Johnson some years ago, and we are continually amazed by his ingenuity!

The photos here show you that the objective is the dinner dance and golf outing is to have fun. It is a relaxing weekend that was welcomed by everyone who was there.

The weekend starts with arrivals on Friday night. Golf is the order of the day on Saturday, and in 1995 a

new putter and a new tee box spike were there to greet players. Hot chocolate was the drink of the day and when the scores were tallied, the winners were, once again, Mike and Mary Drugan with an alternate shot score of 40. Trailing by one shot were Pat and Jan Wallrich (and twenty other couples!)

Dinner and dancing made for a memorable evening, even though midnight was about as late as we went. The next morning was met with farewells until next October.

I would like to thank Bill Wimmer from Cold Water Canyon for the use of the course and for the warm lunch on Saturday. Oshkosh Country Club, the Pioneer Inn and October 5, 1996 will combine for our next weekend together. Make it a date on you calendar now! 🌱

Jeff Bottensek never "TIRES" of golf!

John Krutilla and Pat Dreschler team up for championship golf!

Circle the wagons...

Janelle Johnson putts on greens a lot faster than Rod's!

Long hitter Steve Schmidt!

Sue Gerth wishes this club had more loft!
