

BIG FOOT TEAM COMPETES IN JOHN DEERE GOLF TOURNAMENT

WGCSA member Jim Knulty from Big Foot Country Club in Fontana, along with Big Foot's golf pro (Ike Bailey), club manager (Robert Timm), club president (Terry Daniels) and J.W. Turf's John Maguire, competed in the John Deere Team Championship Golf Tournament held November 15 - 17 on the Ocean and Links golf courses at the Pelican Hill Golf Club near Newport Beach, California. It is a safe bet the weather was warmer there than in Wisconsin, and an equally safe bet that they had a good time.

There were 32 teams from the U.S. and Canada, and although they did not finish in the top ten, reports are they made a good showing on Wisconsin's behalf! The Big Foot team was able to make the trip because of their victory in the state tournament at Trappers Turn on June 26. The local tournament was sponsored by GRASS ROOTS advertiser, J.W. Turf. 🌱
