

# SENTRYWORLD To Host 2nd Annual Golf Course Tour

Following the great success of last year's walking tour of Whistling Straits, hosted by Mike Lee and the Kohler Co., the WGCSA is offering members a similar event on Monday, June 2.

Gary Tanko, WGCSA board member and golf course superintendent at SENTRYWORLD in Stevens Point, has invited his colleagues for a safety, OSHA requirements and shop tour of his golf course maintenance

facility. Don Jankowski, Large Account Loss Control Consultant for Sentry Insurance, will lead a walk through visit with demonstrations and discussions of safe work practices, OSHA requirements, pesticide mixing site and other golf course shop requirements.

The compliance tour runs from 10:00 a.m. until noon. Lunch will be served at the Sportscenter.

Two other activities are available

as well. At 7:30 a.m., WGCSA members can participate in a 9-hole shotgun start for golf, which includes a golf cart. And also, between 9:00 and 9:45 a.m., a walking tour of the famed flower holes on the golf course will be led by SENTRYWORLD staff.

Watch your mail for the official announcement and registration for this event. You will not want to miss it. 🌿
