About Our Cover:

One of the most familiar places on the University of Wisconsin campus in Madison is Agriculture Hall. Jennifer Eberhardt captured the essence of the building as seen from Henry Mall, which connects University Avenue with Ag Hall. Generations of students have attended classes in its auditorium, had discussions on its steps and enjoyed the ornamental plantings at its entry on Linden Drive.

"May is an eruption. With so little time, every living thing crowds creation into a few vibrant weeks and then sits back for June to take the census."

— Mel Ellis
Wisconsin Author
