

Feels Like Another Long Golf Season!!

By **Scott Schaller**, Golf Course Superintendent, North Shore Golf Club

As I am putting together this president's message, I can't help but think it sure looks like we are off to another banner golf season. Again, we all had an early opening of our courses and great spring and early summer weather, which in turn produced record rounds of golf and, lastly, created a lot of work for all of us.

A special thanks goes out to Joseph Fryman, Marc Davison and Wayne

Otto for hosting WGCSA monthly meetings this year.

Each of their golf courses were in OUTSTANDING condition. All the people in attendance at these meetings truly appreciated the efforts made by the host superintendents to make our day at their facility one to remember. THANKS GUYS !!!

I'm sure all of you are aware we will not have an August monthly meeting at a golf course facility this season. We have abandoned the WGCSA August golf meeting to promote your attendance to the WTA Field Day on August 10, 1999 at the O.J. Noer Facility in Verona, Wisconsin. The field day should be on every golf course superintendent's calendar. Get out and show your support for the WTA and the O.J. Noer Facility. See what is happening with current turfgrass research and the donated money from the WGCSA.

Take care and I hope to see you at the WTA Field Day. ♣
