Season Finale at North Shore

By Mike Lyons, Golf Course Superintendent, Old Hickory Golf Club

S cott Schaller and his staff had NSGC in great shape for the final golf meeting of 1999. It was a challenge for everyone who played. One hundred and two golf course superintendents and affiliates turned out for the two-man blind partner event. There were 110 in attendance for the educational session that featured Bob Vavrek, our USGA Green Section agronomist. Bob's topic was The Year in Review. He covered every topic from green covers to fairy rings, Zoysia grass in the Midwest to Japanese beetles in Beloit. Bob's commitment to golf and to Wisconsin and to golf course superintendents was surely appreciated by the audience.

The evening also highlighted guests Gene and Diane Haas. Gene is retiring after 23 years as executive director of the Wisconsin State Golf Association. Included in those years was their work with the WGCSA, and for that dedication, Gene was awarded the Distinguished Service Award. Gene reflected on his time and involvement in golf in Wisconsin and emphasized his respect for golf course superintendents and our profession. He also made it very clear that any work he did with the WSGA and the WGCSA was a team effort with Diane. The award and gifts for them made clear the gratitude we all feel for their work.
