ABOUT THE COVER

We honor our national organization with this issue of The Grass Roots. GCSAA is 75 years old this year and the celebration began at conference in Dallas. September will see an event for all members at headquarters in Lawrence, Kansas; the year-long festivities conclude at the 2002 conference and show in Orlando.

Graphic designer J.L. Samerdyke has created a cover that reminds us of the days when our ancestors gathered and organized. Let it serve as an inspiration to do our part for the profession in our own time.

"The past is but the beginning of a beginning."

— H.G. Wells
