ABOUT THE COVER

Landscape artist Jennifer L. Samerdyke has captured both the sense and beauty of spring in Wisconsin with her cover for this issue. Her subject is the perennial bed of spring blooming bulbs near the second tee at the Serendipity Golf Club in southwest Wisconsin.

*"Over the land freckled with snow
half-thawed
The speculating rooks at their nests
cawed,
And saw from elm-tips, delicate as
flower of grass,
What we below could not see, winter
pass."*

- Edward Thomas
