

Poa trivia

By Rob and Steve Wasser

LESCO

Spring is here, spring is here! Thank the Lord spring is here! I don't know about you but I don't think I could have handled another cold day! So it is time to open up the courses, get the irrigation fired up, and start the seven day a week routine. Hope you're rested up.

There hasn't been a lot of movement going on in the last two months, so I need to come up with a lot of filler to get at least half a page to Monroe. I really don't know what to talk about; maybe I should mention the time I stopped at Trappers Turn only to find the entire crew trying to put in a bedroom door for their new spray technician (with my great skill, we were able to get it in). No, I don't think I should mention that; may get somebody in trouble. Maybe I should mention the time that I went hunting out west with a couple of superintendents and a golf course owner and the rear window of the suburban was shot out. No, I don't think I can mention that either. How about the great fishing trip I heard about? Oh that's right; the poles were left at home. I'm sure there are a lot of stories like this, but...

Mark Lockhart, the superintendent at Lake Lawn Lodge in Delavan, and his wife finally got their wish of a girl in a unusual way. Mike's wife flew over to China on October 24th and on November 8th brought home

Marlie XJAO Fan Lockhart. Mark and his wife now have one girl and three boys: Nate 17, Jordon 12, and Taylor 6.

Brian Zimmerman and his wife Jill had a baby boy on January 19th, 2003. Carter Roman weighed in at 6 lbs 10 oz and was 20 inches long at the time of his birth. Congratulations to your two families.

There was one superintendent change. Stan Lushine is the new superintendent at Country Club of Wisconsin. Stan was the superintendent at Stone Ridge Golf Course and before that was an assistant at Country Club of Wisconsin. Welcome home Stan!

Jon Baus is the new assistant golf course superintendent at Mid Vallee Golf Club in DePere. Jon is a May 2002 graduate of the UW-Madison turfgrass management program.

Last but certainly not least, Steve Specht finally got engaged to his long time girlfriend Megan Netzler. Steve, she told me to tell you and I quote "it's about time!" Congratulations to the both of you.

As you can see by this article, this is a slow time in golf in the great state of Wisconsin! Call Steve or Rob at sls224@lesco.com or sls156@lesco.com. There has got to be a better story out there somewhere.
