Happy springtime! In a few short weeks we will all be moving back outside. I don't know if any of you have cabin fever as bad as I do, but I am really looking forward to spring. When stopping by this winter many of you told me that you are ready to get things going again. A few short months ago, you were telling me how you couldn't wait for the cold weather and the snow so you could get that much needed rest. Well, I hope you all are rested up and your batteries are recharged because it is almost time to open up our courses for the 2004 season. There have been quite a few changes since the last time we wrote *Poa trivia*.

First and foremost, it is a pleasure to pass along some congratulations. The USGA Green Section selected Monroe Miller as the recipient of the 2004 Green Section Award. Monroe was honored at the GCSAA Conference in San Diego this February. Congratulations Monroe! This was a well deserved reward for you because of everything you have done for us here in Wisconsin. It has been honor and a privilege working with you over the last few years.
