ABOUT THE COVER

Jennifer Sameryke has perfectly captured the Christmas face of WGCSA member Lars Helgeson, known around Wisconsin as "The Golf Course Santa." Read about Lars and his second career inside this issue of *The Grass Roots*.

"...The season of frosted window-panes and crackling fires, when the blast howls through the black-ash trees of our avenue, and the drifting snow-storm chokes up the wood paths and fills the highways from stone wall to stone wall."

- Nathaniel Hawthorne
