ABOUT THE COVER

No place in the world of golf in Wisconsin exemplifies the autumn season more than the Pumpkin Hollow Country Club, located in beautiful southwest Wisconsin. Red maples and sugar maples bring bright colors to the golf course, and corn stalks and piles of big, orange pumpkins remind everyone of fall in Wisconsin. Jennifer Samerdyke has captured it beautifully on our cover.

"For man, autumn is a time of harvest, of gathering together. For nature, it is a time of sowing, of scattering abroad."

- Edwin Way Teale
