ABOUT THE COVER

You could hardly imagine a more colorful subject for our cover than the 16th hole at SentryWorld in Stevens Point. Known far and wide as The Flower Hole, its color scheme changes each year as SentryWorld's Golf Course Superintendent Gary Tanko designs a new pattern with a different collection of bedding plants. The Flower Hole inspired the beautiful cover art by the talented Jennifer L. Samerdyke.

*"There is but one sure season in our hearts
Through all the year's swift circle — that
is summer.*

*The urgent vibrancy of spring is its
Brief preface (just as fall which follows is
Its gold fruition, and then winter yet
Another summer, waiting, safe beneath
The snow)."*

- Summer Days
Victor Carl Friesen
