

AND THE WINNERS ARE...

By **Randy DuPont**, Golf Course Superintendent, North Hills County Club

Mayville Golf Club was the site of the annual Superintendents Tournament, held this past August 16th. Opened in 1935 as a 9-hole course, Mayville Golf Club expanded in 1991 with the addition of nine new holes designed by Bob Lohmann. While relatively short by today's standards (6,200 yards), Mayville holds its own with its tight tree lined fairways, and "postage stamp" sized greens that are severely sloped. Throw in some wind, and the golf course provided quite a challenge for the 45 participants.

The low gross division resulted in a tie between Mark Hjortness and Scott Bushman with a score of 78. Mark won based on a scorecard playoff. Congratulations "Horty", your plaque's in the mail.

In the net division we had two flights. In A flight, Jim Hasz took first place with a score of 70. Placing second, with a score of 72 was Mark Schwarting. In B flight, Tom Merkel took first place with a score of 67. Placing second, was "El Presidente" Marc Davison with a score of 69.

Eight flag events were also awarded. Closest to the pin winners were Dennis Dary #4, Seth Brogren #7, Marc Schwarting #14, and "Horty" #17. Longest putt winners included Ed Witkowski #8 and Conrad Stynchula #10. Long drive winners were Mike Lyons #6 and Jim Hasz #18. Congratulations to all!

Special thanks goes out to Mayville Golf Club for hosting the WGCSA August meeting, and to our host superintendent Lee Mahnke for the outstanding job he and his staff did.
