

Northern Bay Golf Resort and Marina Host the 2006 Couples Outing

By **Mike Lyons**, Golf Course Superintendent, Old Hickory Golf Club

This year's event was held at the beautiful Northern Bay Golf Resort and Marina in Adams County. If you have a chance, this place is well worth the trip. The golf course is great and the accommodations were, to say the least, spacious and beautiful. Everyone there is very gracious and thoughtful.

This year's vendor sponsor was Rienders. The team of Bruce Schwieger, Scott Thompson and Fred Anderson were great hosts and the gifts and prizes were awfully nice. Thank you guys. Also, a big thank you to all our vendor sponsors who contributed and made this very relaxing and fun weekend possible. From all of us who were able to

attend - thank you so much.

Host superintendent Scott Anthes had the place looking and playing great. Fourteen couples took part in the golf and fifteen couples gathered for the dinner / dance and costume party. First time attendees Alan and Susan Nees won the annual Mr. and Mrs. Mow Tournament. Second place went to host Scott and Jessica Anthes. Everyone had a great time and the weather could not have been better.

On to the dinner/dance and costume party. All I can say is it was a shame more people were unable to see a certain someone's costume. There were a lot of great costumes but the winner of the costume con-

test hands down was Rod Johnson. For all of you who know Rod, seeing him dressed as Miss Piggy was well worth the price of admission. It was hilarious. Second and third place went to Sister Mary Worzella as a pregnant nun and Al and Sue Nees as laundry basket and static cling. Like I said, everyone had great costumes, and the laughs went on long into the night. Heck, even the DJ thought he was Roy Orbison.

Once again, thank you to everyone who helped make this weekend possible. I hope next year we can get more people to attend and if it is another costume party, trust me — you'll want to see what Rod comes up with next time. ♣
