

1958 WGCSA Directory

Back In Time will be a new feature to *The Grass Roots* on a regular basis. The WGCSA history is informative and important to a new generation of members. If you have an item from your archives about WGCSA or your club that you think may be of interest to our readers please feel free to contact me.

This issue we are highlighting the association mailing list from 1958. The list previously was given to Monroe Miller by Rod Johnson in 1988 and was featured in the July August issue. Monroe passed it on to me and I feel it makes a interesting read showing our chapter 50 years ago. It is notable that Horst, Milorganite, Reinders and Wisconsin Turf were all active members at that time.
