ABOUT THE COVER

Our cover artist Beverly Bergemann captures the history of New Orleans, host of the 2009 GCSAA Education Conference and Golf Industry Show in this view of the St. Louis Cathedral, the oldest Catholic cathedral in continual use in the United States. The Cathedral, located in The French Quarter is one of New Orleans most recognized buildings and overlooks the Andrew Jackson statue and Jackson Square.

"Look not mournfully into the past, it comes not back again. Wisely improve the present, it is thine. Go forth to meet the shadowy future without fear and with a manly heart."

– Henry Wadsworth Longfellow
 1807 - March 24, 1882,
 American educator and poet
