ABOUT THE COVER

Our cover artist Beverly Bergemann captures the beauty, challenge and mystique of the 9th hole at Blackwolf Run Golf Course, host of the 2009 Wisconsin State Open.

"Rest is not idleness, and to lie sometimes on the grass under trees on a summer's day, listening to the murmur of the water, or watching the clouds float across the sky, is by no means a waste of time."

- By John Lubbock (1834 to 1913) English banker, politician, biologist and archaeologist. This quote by Sir Lubbock reminds us to take a moment to enjoy and reflect on the many gifts we have during this busy summer season.
