

Seasons Rush By

By **Brett Grams**, Chapter Manager, WGCSA

Summer greetings! At the time of this writing the fourth of July has just “whizzed by” and we are now on our way to the dog days of summer. By the time you read this the back to school ads will be out. I find these ads as a good indicator of shorter days and cooler weather soon to come.

It is never too early to think about the future so I have already started my association planning for 2011. The WGCSA has some interesting things planned for the upcoming year. The Board of Directors will be implementing the new Assistant Golf Course Superintendents Committee while looking for growth in the PAR4 Fundraiser, and strengthening the Industry Partnerships. Another priority of mine to focus efforts that are core to Mission and Vision statements of the WGCSA. The Board of Directors and I

would enjoy your help or assistance as we plan for next year. Would you like to host a monthly golf meeting? What about taking a turn at hosting our Couples Outing? Would you like to be involved with any other chapter efforts? Please contact me if you would like to be a part of shaping our future!

I hope that all members will also consider participating in the remaining meetings and golf events for the year. The Wee One, WTA Fundraiser, Couples Weekend, and of course our Fall Symposium are great places for you to be involved.

I wish everyone a successful late summer season!

For this period we have one New Member as Ryan Knick, Superintendent at the Orchards of Egg Harbor has joined the WGCSA. 🌱

WGCSA's Certified Golf Course Superintendents

Chad Ball, Conway Farms GC	Dale Morrison, Trappers Turn GC
