WISCONSIN STATE GOLF COURSE

SUPERINTENDENTS ASSOCIATION

We, the members of the Wisconsin State Superintendents Association, depend upon the unity, as well as the professionalism of our membership, to cultivate and maintain superior golf turf as well as golf atmosphere.

The knowledge that is gained through continued education and experience in turfgrass maintenance should be openly shared with mutual trust and comradarie among fellow members. To strive for further and continued knowledge and excellence in all phases of golf course maintenance is our ambition.

The proud legacy of our profession depends upon the pride and integrity which each individual takes within himself.
