

Management II and Landscape I will also be offered Feb. 3-4, just prior to GCSAA's 50th International Turfgrass Conference and Show in Atlanta. Also offered at that time will be Cardiopulmonary Resuscitation, Turf Disease Identification, Nutrition I, Pesticide III (insects), Pesticide IV (weeds) and Irrigation I.

Further information and registration forms for Management II and Landscape I may be obtained by writing to GCSAA Headquarters, 1617 St. Andrews Drive, Lawrence, Kansas 66044. Please specify seminar and city. Registration information about preconference seminars will be available in October.

Wisconsin Golf Course Superintendents Association

We, the members of the Wisconsin Golf Course Superintendents Association, depend upon the unity, as well as the professionalism of our membership, to cultivate and maintain superior golf turf as well as golf atmosphere.

The knowledge that is gained through continued education and experience in turfgrass maintenance should be openly shared with mutual trust and comradarie among fellow members. To strive for further and continued knowledge and excellence in all phases of golf course maintenance is our ambition. The Proud legacy of our profession depends upon the pride and integrity which each individual takes within himself.
