- Herbicides ● Insecticides ● Fungicides ● Fertilizers ● Grass Seed
- Irrigation Equipment ● RVC Pipe ● Asbestos Cement Pipe ● Poly Pipe
- Market Replacement Parts, Tires, Batteries Etc.

APRIL MEETING-TUSCUMBIA COUNTRY CLUB

Deke DeCramer and Tuscumbia Country Club will be our hosts on April 21. As always, Deke has planned an exceptional day for us. Lunch will be available in the clubhouse beginning at 11:30 until 1:00. Tee times will run from 1-2 o'clock from either the first or tenth tees. The event will be a "Mystery Partner", your partner will be chosen at random while we are on the course. Hopefully, inflation will not affect our event price-it will remain at \$3.00.

Our buffet dinner will begin at seven o'clock and will feature a gorgeous standing side of beef and other goodies. The dinner will cost \$6.50. Follow-

ing the meal, our speaker will be Carl Unis, Golf Professional at Brynwood Country Club where Bob Boltz is the Superintendent. Carls' topic will be, "Working Together for Golf" Superintendent/Professional Relations". Undoubtly, the topic is an important one and will hopefully smooth the way for good working relationships between the two most important men on the golf course.

Tuscumbia is easily reached from any highway into Green Lake on either South Street or Illinois Avenue on the east edge of town. Reservations for the day will be accepted until noon on Thursday, April 17. If you reserve and do not attend, you will be billed.

I hope to see everyone for what has always been a fine day when we're at Tuscumbia.

The objective of all dedicated employees should be to thoroughly analyze all situations anticipate all problems prior to their occurrence, have all answers to these problems, and move swiftly to solve those problems when called upon:

HOWEVER!!!

When you are up to your ass in alligators, it is difficult to remind yourself that your initial objective was to drain the pond.
