

mally thought reserved for Porsche driving groups. A true measure of the attention that our group received was the quality of Saturday evening's dinner.

Quit Qui Oc Golf Course provided an outstanding location for the Couples Golf Event. We've played more famous courses in the past, but none that will provide more memories. WGCSA member and QGO owner/operator, Tom Wiege, greeted us in the parking lot with a hospitality not often extended to a group of duffing couples.

The 60 acres known as the front nine was beautifully prepared by Jim and

Fuzzy. Neither one will own up to the hole locations. The dreaded "shotgun start" format was utilized to whisk our group around in near record time.

Twenty-five teams entered this ever-popular event where a game similar to golf is played. Mark and Karen Kienert emerged victorious claiming the title of "Mr. and Mrs. Moe 1989". In accepting the highly coveted traveling trophy, Karen thanked Mark claiming she couldn't have done it without him.

Following Saturday evening's excellent dinner, the group "One Way Up" provided the music for everyone's listening and dancing pleasure. Our

dancing took on a special quality, not that of American Bandstand, but a special quality nonetheless. A great time was had by all with no serious injuries to report.

The social committee met immediately following this year's event and voted unanimously that this year's General Foods Tangless Award be given to Brian Schmidt. How did you like dinner and the dance Brian?

This year's event will be a hard act to follow, but be assured we will try. With the many friendships that have been struck up over the last six years, the continued success is guaranteed.
