OFFICIAL BULLETIN

June, 1958

NOTICE: June Meeting

PLACE: Como Municipal Golf Course, St. Paul, Monday, June 9.
TIME: Golf and Get-together at 2:00 p.m. Golfers meet at Clubhouse, others at toolhouse (old pump-house by Como Lake Pavillion)
HOST: Mike Weinhandl, Superintendent.
DINNER & MEETING: A Smorgasbord Dinner will be served upstairs in the Clubhouse at 6:00 p.m.
EDUCATIONAL SESSION: Tentatively scheduled at time of this publication, a talk on nematodes by U. of Minn. personnel.

ALGAE & WEEDS IN PONDS

Dr. Wm. P. Martin of the U. of Minnesota sent the following letter to our Association:

".....You and the other members of your group will probably be interested in a new publication that has just come to my attention. It is entitled "Controlling Weeds and Algae in Farm Ponds" and it is written by Professors A. W. Eipper and H. B. Brumsted of New York. It is a complete revision of a bulletin issued in 1954 and gives information on techniques of controlling weeds and algae. It would be obtained from the New York Agricultural Extension Service, Cornell University, Ithica, New York....."

Thanks to Dr. Martin for the information and the interest he has taken in our organization.

* * * * *

We wish to extend our sympathies to the survivors of Mrs. Ludvig Nelson who passed away May 17, 1958. Services were held Tuesday, May 20, in Minneapolis.

* * * * *

ANNUAL TURF CONFERENCE

Our Annual Turf Conference will be held at the Hotel Lowry in St. Paul next year, February 25, 26, and 27.

* * * * *

MEANDERINGS....

Ray Hall over at Greenhaven Golf Course in Anoka has just sown nine new greens in Penncross bent. Severe winds gave a lot of trouble after the seed was in.

Leo and Bob Feser report their new greens at Medina stolonized with Penncross in September of '56 are very satisfactory to date.

Dick Toupal at North Oaks is completing a huge sodding job where the City of St. Paul went through the course with a city water supply culvert.

Wayzata Country Club is looking very good this spring after a rough first year of too much rain. Our July meeting will be at Wayzata C. C. and should be interesting to those who wish to see a new course being brought into polished condition.

Reports in from the northern part of the State indicate the Twin City area wasn't the only area which was troubled with dessication this spring.

* * * * *

LOCATION

The Como Municipal Country Club is located at Lexington and Como Avenues in St. Paul.
