SEPTEMBER SCHEDULE

MONDAY, SEPTEMBER 8:

Tour of the Experimental Farm of the University of Minnesota. The tour will be at the main farm located one mile East of Victoria on State Highway No. 5. We will meet at Minnetonka Country Club at 1:30 p.m. and drive over to the farm. Tour will be conducted by Richard Stadtherr. After the tour, we will return to Minnetonka for an informal evening lunch of sandwiches, beer, etc. Rusty Smith invites all who wish to play golf to come early and make a day of it.

The experimental farms of the University should be of special interest to golf course superintendents, as they are starting to get into extensive turf grass research and have done an outstanding bit of work with Crabgrass controls.

MONDAY, SEPTEMBER 22:
(TORO FIELD DAY)

The Annual Toro Field Day will be held at the Engineering Plant as per usual. Time of the Tour is scheduled for 2:30 p.m., with dinner afterwards. All classifications of members are invited; however, since we will be guests of Minnesota Toro, it would not be quite ethical for us as individuals to bring other non-member guests. You will receive invitations through the mail other than this notice.

TUESDAY, SEPTEMBER 23:
(WOODHILL TOURNAMENT)

The Annual Woodhill Tournament is one of the highlights of our yearly calendar of events. This tournament was originally began as a "Greenkeeper-Greens Chairman" event with the idea of more firmly cementing the relationship between the Superintendent and his "Go-between"...the Greens or Grounds Chairman. We hope that you will keep this in mind when you invite your Club officials to this year's tournament. In any case, members of our Association will be limited to a maximum of 3 guests from their respective clubs.

Golf will begin at noon. Dinner will be served at 7:00 p.m. sharp. Cost per person for golf and/or dinner will be \$5.00. Host, Carl Anderson.

This will be the only notice sent out as far as the Woodhill tournament is concerned.
