### THE ANNUAL WOODHILL TOURNAMENT

SEPTEMBER 15, 1959

#### TO ALL MEMBERS:

This tournament is the biggest attraction of the year for us and should be attended by all who can tear themselves away from the tortures confronting us daily.

Each superintendent may invite from one to three guests for this event. Our host, Carl Anderson, hopes that everyone will stay within this limit. Starting time for golf will be one o'clock; please have your party ready when approaching the first tee. This will enable all golfers to complete their rounds before dinner. Let's make this a success.

There are a goodly number of prizes for this Woodhill event, donated by various Associated Members. The cost per person for this tournament and dinner will be \$6.00.

The Toro Field Day will be scheduled at a later day, advises President Paul McGee. You will be notified of the date.

To those who could not get to the Trans-Miss Tournament at Woodhill, I would like to take this opportunity to let you know that Superintendent Carl Anderson was presented with a sports jacket, bearing the National emblem, from the Minnesota Association. This was presented during the awards ceremonies by Dick McLaughlin, president.

#### Divots:

It has been stated that this year has been one of many hardships for the superintendent. Weather conditions this year have changed so often one did not know just what to apply in the way of chemicals, fertilizer, etc. But cheer up! The season is just about over and you can take that much needed rest.

\$100,000 fire damage to the Mendakota Club House.  
Somerset water system estimated at \$75,000.  
Southview putting up a fence to keep vandalism down.
