Affiliated with the National Golf Course Superintendents' Association

## HOLE NOTES

RAYMOND HALL, Sec'y-Treas.  
535 Western Street  
Anoka, Minnesota

July Meeting - Medina Golf Course  
Host - Bob Feser  
Date - July 11, 1960  
Dinner - Medina Lanes (Bowling if desired)  
Directions - Take hiway 12 thru Long Lake and  
about a mile or two out of Long  
Lake follow the signs.

Those who missed the meeting at Stillwater sure missed a pleasant afternoon. Everyone who played golf commented on Lyle Cran's second nine. It is evident that he did a wonderful job in its construction. Without a doubt he should be proud of his course, as are his members. Greens were seeded with Penn Cross.

During a bull session Len Bloomquist's name was thrown in the hat as a nominee for a national director. As we all know he is a credit to our Association, holding various offices during his thirty or more years as a superintendent. A better candidate would be hard to find. Len's character, ability, and integrity are beyond reproach.

The Minnesota Chapter of GCSA has been asked to come up with a speaker or two for the National Conference in Toronto, Canada. If any fellow superintendent has a topic of general interest you would talk on, let this office know. Being an experienced "speaker" is not a requirement, just the experience. You do not need a college degree to state your own opinion.

There will be a meeting of the Board an hour before dinner. Board members, your presence is requested. The president has spoken.

If any member has moved or dropped out of the golf course business we would appreciate it if you would send your new address or status to this office. There have been complaints about notices not received. You may be assured they are sent. Check your address to be sure it is accurate.

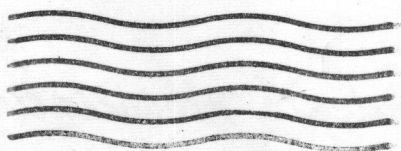

George Ostler of Hillcrest had a greens mower stolen from his garage recently. He asks you be on the look out for it - a 1956 Jacobson, serial no.92213647.

There are approximately 31 members who have not paid the increase in dues for 1960. Let's get this matter taken care of.

The secretary has a new address: Ray Hall 920 Park St. Anoka

We must report that some of us men had aching backs last month after laying sod at Camp Courage. The women and children had a wonderful time drinking coffee and gabbing while the men worked in the rain. Mmes. Chellis, Bloomquist, and Graham were seen with rakes. Mrs. Feser contributed a batch of Danish rolls for the coffee break. They were delicious, and the recipe is free upon request. Carl Anderson extends thanks to all workers.
