## NOTES

OCTOBER 1963

### FINANCIAL REPORT on Annual Golf Tournament:

Total Income	- \$532.50	Net Profit	\$14.55
Expenses	- \$517.95		
Prizes		\$100.00	
Entertainment		25.00	
Richard Lucas, Registrar		10.00	
Midland Hills Club		382.95	

Honors went to the following persons: Kurt Erdmann, High Score and all the Marbles; John Rake, Low Professional with a 69; William L. Conley, Tied for Low Guest 76; Raymond Haik, Tied for Low Guest 76; Russ Adams, Low Superintendent 77.

NEXT MEETING, OCTOBER 15, Mora, Minnesota. With the long range weatherforecast, this should be an ideal time to get away for a round of late fall golf. More good things have been said about the Mora course than any other outstate course. Directions are as follows: Take Hwy. 65 thru town until stop light intersection on Hwy. 23. Turn right (East) 1 mile on #23, then right 4 blocks. Large signs will direct you from there.

EXPERIENCE is a wonderful thing which enables you to recognize a mistake when you make it again.

JOB OPENINGS: Aberdeen C.C. 18 hole; Highland-Green Golf Course, Minneapolis, 9 hole regulation; Edina Municipal 18 hole regular and 9 hole par three. Inquire of Milt Wiley on any of these.

NEW APPLICANTS for membership have been received from Duane Webster, Owatonna Municipal Golf Course and Charles Pidutti, Apple Creek Golf Club in Bismark, North Dakota. Both of these worthy men need someone to attest for them.

THE BOARD RECOMMENDS to the regular membership the following persons:  
Apprentice - Tom Wasgatt, Asst. Supt. at Orono; W. H. MacGregor, Moorhead Country Club; Larry Graves, Lafayette Country Club.  
Associate - Howard Kaerwer, Jr., Northrup King and Co.

NOTE: Anyone in the Fargo-Moorhead area knowing Lou Zastre should invite him to join the Minnesota Association.

NEW APPOINTMENT - Richard McLaughlin and Emil Picha shall represent the Minnesota Chapter as Advisory Delegates to the Philadelphia Meeting. Jack Kolb shall represent you as a voting delegate, provided Minnesota continues as a 60% Chapter.

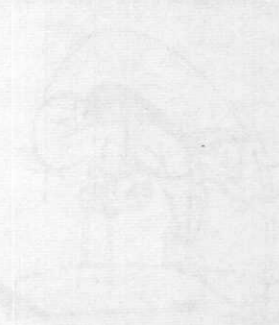

Robert Feser is chairman of the local Educational Conference. Bob would be glad to entertain any ideas on program planning.

DUTCH ELM DISEASE discussed at University Short Course. "Diseases and insects are not responsible for all tree problems and many of these problems can be overcome by proper cultural practices." Quote from Dr. D. B. White. As replacements for the Elm, Dr. L. C. Snyder, Head of the Horticulture Science Department at the University of Minnesota, recommended for Minnesota planting selected varieties of Sugar, Red or Norway Maple, Green, White or Blue Ash, Basswood or Linden, especially American, Little Leaf or Redmond varieties, Kentucky Coffee Tree and the Hackberry. Schwedler and Crimson King are among Norway Maples suitable for Minnesota planting.

NEXT MEETING - MORA, MINNESOTA. Reservations will not be necessary. Because of the shorter days, however, you are urged to arrive early.
