JULY MEETING AT WAYZATA COUNTRY CLUB

● **MGCSA JULY MEETING**

The July outing and meeting was held at the Wayzata Country Club in Wayzata, Minnesota, Monday, July 8th. Host was Gary Kwas, Golf Course Superintendent at the Wayzata Country Club and he did an excellent job in seeing that all the guests enjoyed their visit. Gary reports that there were in excess of 30 that played golf and about 80 for dinner. The number of golfers was remarkable in view of the extreme weather. The weather bureau reported that it was 101 above at 2:30 P.M. with humidity at 24%. You have to be a dedicated golfer to play in that heat.

It was also Minnesota Toro Field Day. A day in which they displayed their equipment. In fact for them it was a two-day event as they kept their equipment at the Wayzata Country Club another day for display and exhibit to an invited clientele. They gave, as a door prize for the two-day show, a 17' ABS Whitewater Canoe. Names were drawn each day from those that attended and registered and the six finalists were:

The Winner was Gary Kwas of the Host Club.

The Minnesota Toro extends to everyone that attended a hearty thanks for their attendance and fine compliments.

The MGCSA wishes to thank Gary Kwas and the Wayzata Country Club for making their facilities available for this outing and also for the excellent dinner.
