

Meetings

OCTOBER MEETING

The October Meeting and Golf Outing was held at the Monticello Country Club, Monday, October 14. The members enjoyed some golf on a very interesting and beautiful nine hole course and like the other courses we have played this year, Superintendent Charles Tillmann had the course in great condition. For those that did not play golf there was the usual cards, visiting and getting out on the course to give it the once over and to watch those that were playing. I might add that those who did play deserve a big hand for their courage. It was cold and windy (no fault of Charles). It was an unusual sight to see the golfers out on the course wearing stocking caps, a couple of sweaters, wind breakers and, yes, gloves and mittens, but they were having fun on a great little course. The entertainment part of the day - golf, cards, visiting etc. was followed by a social hour, an excellent dinner and a business meeting.

This was also Turf Supply Company and Milsco Engineering Day and Jack Kolb and Art Magnuson had displays of their material and equipment for those in attendance to look over and talk about with the two gentlemen.

At the Business Meeting, Host Superintendent Charles Tillmann introduced the President of the Monticello Country Club and he responded with an interesting talk and the MGCSA extends their thanks to him and Charles.

Application for Class B Membership from Eugene Lee, Hiawatha Golf Course, Minneapolis was read and Mr. Lee was introduced. The application will be voted on at the November meeting.

The subject of By-Law changes was brought up and the Chairman of the By-Laws Committee, Larry Vetter, announced that if any member had a suggested change in the By-Laws that the change must be made in writing and received by him by 4:00 p.m. Monday, November 4th.

NOVEMBER MEETING - MONDAY, NOVEMBER 11TH

The November Meeting will be held at the Hanson House, Long Lake, Minn. where Bud Shaughnessy and the Long Lake Ford Tractor will host the meeting and will display some of their equipment. They will also host a cocktail hour between 5 and 6 p.m. The cocktail hour will be followed by a steak dinner for the nominal cost of \$6.00, including all. So that the Chef at the Hanson House will have a reasonable idea of how many to prepare for, it is imperative that reservations be made. So please call or write the Executive Director at once for reservations. Call (612) 922-6416 or write Al Wareham, 5600 Chowen Avenue, Edina, Minnesota 55410. If you call I have an answering service. Just leave your name and the number of reservations you wish. Thank you. As there will be no golf at this meeting there will be time for a lot of good old fashioned visiting and discussion as well as one or more enjoyable card games. So come early and have a good day.

DECEMBER MEETING

This is the time of the Annual meeting and Conference and also the GCSAA Pesticide Seminar. The Seminar is December 3-4 and the Annual Meeting and Conference starts at 5 p.m. on December 4th and runs through December 6th. There will be a registration table at the door where the Pesticide Seminar is being held. The table will set up at 5 p.m. December 4th and the Annual Meeting and Election of Officers for 1975 will be held at 5 p.m., Wednesday, December 4th. The Educational Program will be December 5-6. Other highlights are the Stag on Thursday night, December 5th and the Banquet and Dance Friday night, December 6th. The complete program is in the enclosed brochure.

Gerry Murphy, Chairman of the Nominating Committee, will recommend the following members for officers for 1975:

President - Rich Rannels
Vice-President - Dean Sime
Secretary-Treasurer - Keith Scott
Russ Adams

Board of Directors
(2 to be elected)
Klem McCann Jim Wodash
Dick Ulrick George Jennrich
