OCTOBER MEETING
MONTICELLO COUNTRY CLUB
MONDAY, OCTOBER 14TH, 1974

This promises to be one of the great meetings of the year. There will be golf, social hour, business meeting and dinner.

October is an outstanding month in Minnesota, with nature showing all of its beautiful color and temperature just brisk enough to make a person want to get out in the open and be glad he is

living and what better way to do it than to get up to Monticello for a game of golf with your fellow superintendents. So we will be looking for you there. After golf, cards or what-have-you there will be a social hour followed by dinner and a business meeting. The dinner will be chicken or baked pot roast with all the trimmings, all for \$5.50.

This will also be Turf Supply Company and Milsco Engineering day. They will have booths where they will display their Material and Equipment and invite all attending the outing to stop and visit with them. While visiting, please register for door prizes. Jack Kolb will represent the Turf Supply Co. and Art Magnuson will represent the Milsco Engineering Co. Both are Associate Members of the MGCSA.

Directions to the Course: From the Twin Cities take I-94 west to either Hwy 152 or 25, turn right (north) off of 94 and if you take 152, go thru Monticello downtown to County Road 39, turn left on 39 to the course. If you take 25, go to the stop sign in downtown Monticello, turn left 7 blocks and turn left again and go 2½ blocks across the railroad tracks and then turn right 1/2 mile to the course.

MEETING SCHEDULE FOR BALANCE OF 1974

- Oct. 14 - Monticello Country Club, Monticello, Minnesota
Note this change. This will be Milsco Engineering and Turf Supply Day instead of the November Meeting.
 - Nov. 11 - Hanson House, Long Lake, Minnesota
Bud Shaughnessy, Long Lake Ford Tractor, Host
 - Dec. 3-4 - Pesticide Seminar
 - Dec. 5-6 - Annual Conference and Annual Meeting. Both the Seminar and the meetings will be at the Normandy Motor Inn.
- Cost: Pesticide GCSAA Members \$40 plus meals. Non-Members GCSAA \$60 plus meals. GCSAA members have priority. Maximum limit - 50 persons.
