

Gould Co. Tour Slated

The March meeting of the MGCSA will consist of a two-fold affair on Monday, March 8. The first activity of the afternoon will be a tour of the R.L. Gould Co. located at 3711 Lexington Ave. North in St. Paul. Gordy Miller has generously arranged for us to arrive anytime after 1:00 p.m. and to tour the plant on an informal basis. The second part of the day's activities will be held at McGuire's Restaurant, 1201 W. County Road E, just a few steps from Gould's. The business meeting is scheduled for 5:00 p.m. with dinner to follow at 6:15 p.m.

George Jennrich, Chairman of the Arrangements Committee, has asked us to mention that there are still many sites to be found for the upcoming meetings. If your facilities are available for one of these meetings, you are asked to please contact him as soon as possible.

National Officers Elected

Elections of new officers was one of the important functions that took place at the GCSAA Annual Meeting held February 11, 1976 in conjunction with the International Turf Conference and Show. Mr. Richard W. Malpass of Portland, Oregon was elected president of GCSAA for 1976. The slate of candidates for the office of vice-president numbered three, all presently directors of GCSAA. When the votes were tabulated, Mr. Theodore W. Woehrle had been elected vice-president. Mr. Woehrle had served in 1975 as the chairman of the Editorial Committee for the Golf Superintendent the official publication of the GCSAA. Six candidates had been nominated for the office of director, of which three would be elected for two year terms. The winners were Mr. David C. Holler, Mr. Melvin B. Lucas, Jr. and Mr. Charles H. Tadge.
