

Green Clippings

GOULD TOUR TO ATLANTA TURF CONFERENCE. Start making your plans now as Gordy Miller of the R. L. Gould Co. is once again coordinating the arrangements for a great trip to the Turf Conference. At this time the plans are to take a Northwest non-stop, direct flight to Atlanta on Sunday, February 4, leaving at 12:00 p.m. You will be served lunch in flight and will arrive in the beautiful warm climate of the deep south at 3:05 p.m. eastern time. The round trip airfare is \$204.00 with your return trip departure time left open. Gordy has also blocked off some rooms at the Howard Johnson's South in Atlanta where the double occupancy rate of \$25.00 per night is extremely reasonable. Further lodging accommodations are still being worked out and you will receive the complete details shortly from Gordy.

RESEARCH FUND GROWS. Our thanks to John Kolb of Turf Supply Company for his fine donation to our Research Program. John states, "We are pleased to be a contributor to this worthwhile program which will benefit men in the profession".

THE OTHER WAY AROUND. We received thanks in letter form from Robert J. Odegard, Vice-President, Office of Development of U of M, who expresses his appreciation for our contribution to the Department of Plant Pathology to support the research program in that department. Actually, our contribution is entirely spent researching the program outlined by our Research Committee.
