## MGCSA Landscapes New Evans Scholars Chapter House at U of M

The new Evans Scholars Chapter House is located at 929 5th St. S.E. on the campus of the University of Minn. It is a three story, brick and wood structure that houses some fifty former caddies who are attending the University on scholarships paid for by the golfers of Minnesota. One or more of these boys could be from your course. The donation of financial, technical and physical aid to landscape the building was much appreciated by the Minnesota and Western Golf Associations. It was the finishing touch to a beautiful building.
