In addition to the tours there will be seminars geared for today's women with topics ranging from "how to get quick and interested service in restaurants, department stores, etc." to a "fashion show that not only will show new clothes but will also include a demonstration of how to update an already existing wardrobe with accessories".

GUADALAJARA, MEXICO - 1980 ANNUAL TOURNAMENT & TOUR SITE. GCSAA's Annual preconference golf tournament and post conference tour have been combined this year into one postconference excursion to Guadalajara, Mexico. All GCSAA members, club officials, guests and exhibitors are invited to participate.

Tours of Guadalajara will be offered along with the 36-Hole tournament to be played at the Club de Golf, Santa Anita Country Club and at San Isidro Country Club. A Ladies' tournament is also scheduled to be played at Guadalajara Country Club. This fine assortment of "fun in the sun" will finish with a victory banquet to which non-golfers are invited. The dates for this trip and tournament are February 22-February 28.

EXHIBITION SPACE FILLED. Over 59,300 square feet of space has been sold for the St. Louis show with a total of 18 new companies having contracted for space.

DRIP-DRIP. Experience proves that most time is wasted, not in hours, but in minutes. A bucket with a small hole in the bottom gets just as empty as a bucket that is deliberately kicked over.
