

# AUGUST MEETING - "WET & WILD"

The rain that has plagued the summer golfing season this year in Minnesota would not even let up for the monthly meeting of M.G.C.S.A., held this month on August 20 at the Silver Springs Golf Club in Monticello. What started out to be an afternoon of golf in the great outdoors turned inside when the inclement weather hit to Joyner's Lanes where free bowling was available all afternoon. At the business meeting that followed Robert Kretchmer of the Lyngblomsten Care Center was voted into membership as a Class F Member and Dale Wysocki, Superintendent at the Dahlgreen Golf Club, was welcomed in as a BII Member. The roast beef dinner that evening was superb and was highlighted by all the fresh corn on the cob you could eat. Following the meal, Al Joyner capped the day's activities by picking up the tab on a round of after dinner drinks. We would like to sincerely thank Al Joyner, Peter Dane and Larry Rootes for hosting M.G.C.S.A. in such grand fashion and we guarantee the Executive Committee is already working on securing some gorgeous weather for the next time we meet at Silver Spings.

**INNOVATIVE.** Charlie Tillmann of Hudson combated the wet weather by wearing fishing waders.

**SMUG.** Russ Rose, left and Jerry Commers can't believe that it would dare rain on M.G.C.S.A.'s "parade".
