

## MEET YOUR ASSOCIATE MEMBERS!

DENNIS MUNSON is the type of member who makes belonging to M.G.C.S.A. a truly enjoyable experience. Always there with a ready smile, a new story or an old joke, Dennis makes even the newest of members feel like they have been a part of the Association forever. A member of M.G.C.S.A. since 1967, Dennis is the number one man for the Twin City branch of the Stegner Golf Car Company. Prior to joining the Stegner team in August of 1972 he was employed by the Larson-Olson Company which distributed the Cushman Golf Cars. Dennis and his wife, Norma, have four children, two boys and two adopted Korean daughters. Fishing in the summer, duck and goose hunting in the fall and downhill skiing in the winter are Dennis' favorite forms of relaxation.

GORDY MILLER is a true friend of the M.G.C.S.A. Whenever a special project arises or problem springs up or anytime the M.G.C.S.A. needs any type of help, you can call on Gordy and be assured of getting the job done in a thorough, cheerful manner. That's the way it has been since 1949 when Gordy joined our Association and I am sure it will continue to be that way for a long time to come. Gordy started with the R. L. Gould Company away back in 1946 and over the past thirty-five years his name has become synonymous with the outstanding service that company has given to the superintendents of our area. Gordy is extremely proud of the growth M.G.C.S.A. has made over that time span from an afternoon card playing organization to a truly professional association. Eight children grace the Miller household and Gordy gives all the credit to his wife, Charlotte, for being able to keep things running so smoothly.
