

# 1980 TOURNAMENT RESULTS

The 1980 edition of the M.G.C.S.A. Golf Tournament proved to be a well run, most enjoyable event. The weather was good with just a short shower late in the round to let everyone know who is still boss. Jim Lindblad had the course at its shining best and looking at the scores, the course came away the winner. Our thanks to Jim, ably assisted by George Jennrich for a fine afternoon and evening. The winners' pictures appear below.

**THE LEADERS.** Don Lindblad fired an 81 on brother Jim's course to capture low gross honors. Dan Hanson, left, second low gross, congratulates the champion.

**BIG MONEY.** Ted Stark, left, low gross guest and Bob Rogers, low net guest, display Pro Homer Martinson's Big Bucks prize.

## NOT JUST A SPRAYER. A BETTER WAY TO SPRAY.

Cushman's Sprayer attaches to the 18-hp Cushman Turf-Truckster, a vehicle that's light enough to drive onto greens, and mobile enough to take into most turf areas that require spraying.

But the Turf-Truckster doesn't just give the sprayer mobility. The vehicle's optional PTO, which attaches directly to the transmission and the ground speed governor, keeps the spray rate consistent regardless of terrain, insuring accurate spray distribution and less chemical waste.

The Cushman Sprayer

has a lightweight, corrosion-resistant polyethylene tank.

And, a jet agitator that keeps solutions in constant suspension.

For ground spraying, there's an

optional 15' rear boom. Its two arms swing on 4-way hinges to let you maneuver easily between trees. For spraying trees and bushes, there's also an optional handgun applicator.

See for yourself how the Cushman Sprayer attachment gives you a better way to spray. And how with other accessories your Cushman can top dress, aerate, and dump.

Ask your Cushman dealer for an on-turf demonstration today.
