

CONFERENCE BANQUET TO FEATURE BRANDYWINE SINGERS

At the Annual Banquet, Thursday, December 3, 1981, a special treat is in store for all in attendance. The Brandywine Singers, six very talented vocalists blend their individual styles into a sound as smooth as the 40's and as exciting as the sounds of the 80's. Their show, "Thru the Years", is a "Cavalcade of Hits" from the past four decades. A presentation of standard, popular, Broadway and country western make the BRANDYWINE SINGERS an act that will please everyone.

They will be accompanied by a four piece band that will entertain us during dinner and play for our listening and dancing pleasure after the performance.

Make your plans early to attend this highlight of the M.G.C.S.A. ANNUAL CONFERENCE.
