

# SELF-IMPROVEMENT MADE EASY

GCSAA is sponsoring three continuing education seminars this fall - one in the San Francisco Bay area and two in the Chicago area. With GCSAA's educational seminars, keeping up with the latest advancements in the turf and golf industry is no longer an insurmountable task. It's self-improvement made easy.

With the successful completion of each seminar, attendees will receive a Certificate of Achievement and will be granted Continuing Education Units (CEUs). The CEU is a universally recognized standard unit of achievement which may be used as evidence of increased education and for job advancement.
