VOLUME 12 - NUMBER 8

AUGUST 1983

## PICNIC AT BAKER PARK

PICNIC HOSTS. Steve Young and wife with family planned the day to perfection with a variety of activities.

CHOW DOWN. There's something about eating outside that makes appetites larger and food taste better.

EDUCATION. A Baker Park Naturalist teaches a group of all ages about the history and the nature of the park.

INNOVATION. Kent Kromer of the Kromer Company, far right, explains performance of new aerifier during his equipment display.
